

Advantages / Disadvantages of Book Planners

- Advantages
 - Quick notation of tasks
 - Don't need technology or to change the device
 - You can't hack a notebook
 - If the planner has a folder, you can store docs
- Disadvantages
 - Unless the planner is portable, you cannot really take it everywhere. Either it's too big or too bulky
 - Planners can be expensive
 - If you lose the book, you lose your life – and your personal info
 - At the end of the year, you need to copy reference info from the old planner to the new one.
